Training Program Changes

Australian Edumedical Society reserves the right to make changes to the Training program at any time. Every effort will be made to ensure a replacement program of comparable standard and value. Compensation is not payable for any changes.

Recording Statement

By registering for the Training, Flights, and Tour, you consent to the Australian Edumedical Society (and its contractors or affiliates) filming, photographing, and/or recording you during these events. These recordings may be used for editorial, promotional, publicity, educational, and advertising purposes in any media, including online and social media platforms.

You acknowledge that you will not receive any compensation for the use of such material and that all rights to the recordings and images remain with the Australian Edumedical Society.

We will handle all recordings and associated personal information in accordance with the Privacy Act 1988 (Cth).

Privacy Statement

The Australian Edumedical Society collects your personal information for the purpose of providing access to training, training attendance statements, flights, and tours. This information is stored securely on our premises, in electronic systems under our control, and with contracted data storage providers.

We are committed to protecting your personal information in accordance with the Privacy Act 1988 (Cth), including taking reasonable steps to safeguard it from unauthorised access, viruses, and other electronic threats.

Please note that some of our service providers, including data storage and web hosting providers, may operate outside Australia.

Should you require any additional information or clarification, do not hesitate to contact us.
